Newark, N. Jersey

Dear Mrs. Manley

I have been authorized to try to arrange a benefit baseball game to be played at the Yankee Stadium, on a suitable date for the New York Urban League.

We want your team as the home team because we believe it to be the most substantial organization in this section and therefore capable of living up to any agreement you might make; also because we believe you personally interested in the work of the Urban League.

I realize we have a

team here in the city but
am sure this can be taken
care of to the satisfaction
of every - one .

I have been asked to
arrange a meeting between
you and Urban League
authorities, but would like
to have a preliminary
discussion with you, so as
to work out some of the details.

If you can spare
the time on one of your
visits to New York I will be
very happy, however I am
prepared to come to Newark.
at your convenience .
Sincerely,

Edward White
